

# CELEBRATE WITH HENRI

Located in a not-so-little building, and in a central and accessible location in Thornbury, is the inviting Little Henri. The venue is built as a nod to the balance between the old and the new for which Melbourne is so well known...

The main dining area has distressed finishes, industrial-styled walls, warm wooden accessories, and the original safe door that pays homage to Little Henri's former life as the local bank. There are also two courtyards – one is covered and can be weather proofed, and has beautiful garden green walls; the other courtyard is an uncovered area with tall leafy trees and tree lights. So whatever weather Melbourne displays on your special day, we have you covered!

Little Henri's open and flowing indoor and outdoor spaces make it an ideal venue to host a myriad of functions – especially wedding ceremonies and celebrations. Functions can range from a formal sit-down dinner (up to 60 guests) to a contemporary standing cocktail affair (up to 140 guests), and anything in between.

Whatever special occasion you are celebrating – be it a wedding, an engagement, a birthday or a corporate event – Little Henri has the facilities, the expertise, and the passion to help make your special day one to remember.

This Events Package provides you with an overview of what we can offer and the associated costs. As each event is unique we specialise in developing packages tailored to your specific needs.
